

# OUR MISSION

Removing Darkness Training Retreat is designed for connecting with the Lord for a closer relationship with Him. And in that process of seeing His heart we find the grace to release *our* heart from hurts, disappointments, and unmet expectations.

This retreat offers a holistic approach to healing, encompassing spirit, soul, and body. Participants will identify key areas needing attention and receive solution-based support for their journey to wholeness.

The retreat also trains believers to guide others in their healing journey. By experiencing a new level of freedom yourself, you'll be prepared to bring this process to your church community.

This 3-part workbook series will be conducted over three separate Saturdays, structured for easy facilitation within church groups. Join us and embrace the path to spiritual, emotional, and physical healing.

# OUR PARTNERS

IIFBC has partnered with Getting Well Naturally, The Cove Christian Retreat, Royally Redeemed Ministries, and Agape Life Church to bring you our Removing Darkness Training Retreat!
